

# Conference Treasures

Welcome to Your Spiritual Treasure! ✨

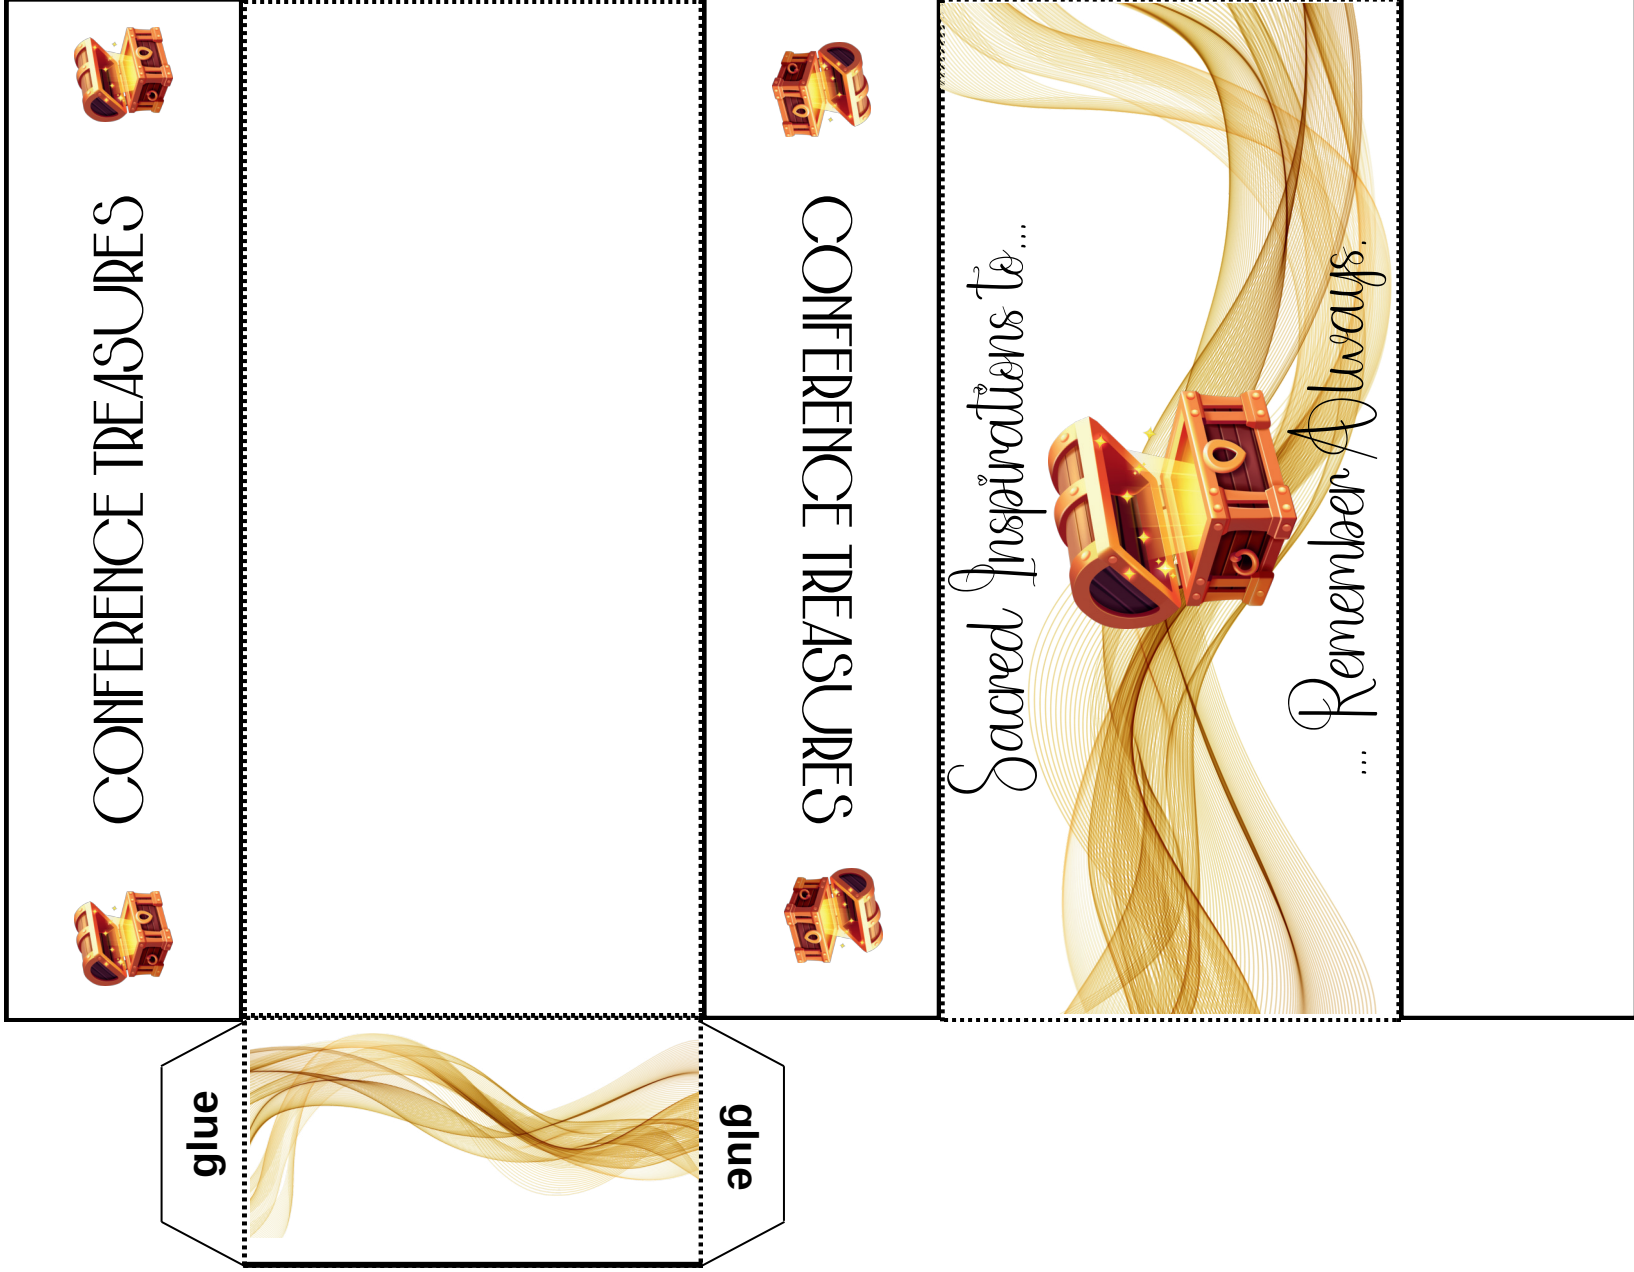

General Conference is a special time to listen to the prophets and Church leaders and feel the Spirit teaching us precious truths. This little box was created to help you keep and remember the messages that touched your heart.

How to Use the "Conference Treasures" Box:

- 1 Assemble your box – Cut and fold the printed template.
  - 2 Prepare your notes – During or after each talk, write on small pieces of paper:
    - An inspiring quote you heard.
    - A feeling or spiritual impression you had.
    - A goal or change you want to make in your life.
  - 3 Store your treasures – Fold your notes and place them inside the box. This way, you will have a "chest" of inspiration to revisit whenever you need spiritual strength.
  - 4 Revisit your treasures – In the coming months, open your box and read your notes. See how the teachings from Conference continue to bless your life!
- 📌 Extra tip: Share your notes with friends or family and encourage them to keep their own spiritual treasures!

May this little box be a blessing in your life, helping you remember and live the Lord's teachings. 🙏❤️
